THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of New Ipswich in the
County of Hillsborough in said State,
qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said
New Ipswich on Tuesday, the eleventh day of March,
next, at ten of the clock in the forenoon, to act upon the
following subjects:

1. To choose all necessary Town Officers for the year
ensuing.
2. To see if the town will vote to accept the budget
to raise as estimated therein the necessary funds to trans-
act the town's business for the ensuing year.
3. To raise such sums as may be necessary to defray
town charges for the ensuing year, and make appropria-
tions for the same.
4. To see if the town will vote to raise and appropri-
ate \$1200.00 for a resident physician.
5. To see if the town will vote to authorize the select-
men to borrow money in anticipation of taxes.
6. To choose one member of the Electric Light Com-
mission for three years.
7. To choose one member of the Trust Funds Com-
mittee for three years.
8. To choose a committee of three for Memorial Day.
9. To choose a committee of three for the Baseball
Field Committee.
10. To see if the town will vote to authorize the se-
lectmen to administer or dispose of any real estate ac-
quired by the town through tax collector's deeds.
11. To see if the town will vote to petition the State

Tax Commission to have an audit made by the Division of Municipal Accounting, and to make an appropriation to cover the expense of such audit.

12. To see if the town will vote to raise and appropriate the sum of \$119.00 (1/100th of 1% of the valuation of the Town) to the Monadnock Region Association of Southern New Hampshire for issuance and distribution of printed matter, newspaper and magazine advertising, and by other means calling attention to the resources and natural advantages of the town, in cooperation with the other thirty-seven towns of the Monadnock Region.

13. To see if the town will raise and appropriate the sum of \$673.67 for T. R. A. roads. By doing so the State will contribute \$2694.67.

14. To see if the town will vote to raise and appropriate the sum of \$1500.00 to continue capping and oiling the road leading to Poor Farm Hill as far as said money will allow, or take any action thereon.

15. To see if the town will vote to raise and appropriate the sum of \$500.00 to gravel the road on Page Hill between the state-line and the residence of Nicholson B. Proctor, or take any action thereon.

16. To see if the town will vote to extend the existing electric light line from its present location on the Smith Village Road along the said road to the property now owned and occupied by the petitioner, Bert Maxwell, and formerly known as the Sylvester Land. If this petition is acted upon favorably the petitioner agrees to contribute his labor or the equivalent thereof as may be required.

17. To see if the town will vote to gravel the road from Gerald and George Putnam's where needed to L. R. Willard's, and provide money for same.

18. To see if the town will vote to raise and appropri-

ate the sum of \$2000.00 to repair and tar the Back Road to Greenville, continuing from where it was left off last year.

19. To see if the town will vote to raise and appropriate the sum of \$500.00 to straighten the curve on the Back Road to Greenville, near the Witty Farm.

20. To see if the town will vote to raise and appropriate the sum of \$1200.00 to recap and oil the road from the state road up to Dr. Steckel's and around the Academy loop, or take any action thereon.

21. To see if the town will vote to raise and appropriate the sum of \$1200.00 to widen the road, make ditches and cap and oil the road from the turnpike to the state road at the Baptist Church, or take any action thereon.

22. To see if the town will change the hourly rate for trucks from the present rate of \$1.70 per hour for a yard and a half load to \$2.20 per hour for a two and a half load.

23. To see if the town will raise and appropriate the sum of \$500.00 to repair road from corner of Perry road toward the residence of Unto Viitanen, to fix culverts and widen and gravel the road, or take any action thereon.

24. To see if the town will vote to raise and appropriate the sum of \$1500.00 to improve the road from David Roger's residence past Fred Cushing's to the River Road.

25. To see if the town will raise and appropriate \$1000.00 to make a survey and build holes for fire protection or take any action thereon.

26. To see if the town will raise and appropriate \$2500.00 to purchase George Silver's field, 35 acres, more or less, to be used to develop a recreation center, or take any action thereon.

27. To see if the town will vote to raise and appropri-

ate the sum of \$1500.00 to cap and oil the road from the residence of Harry Greenough to the Gibson four corners as far as said money will allow, or take any action thereon.

28. To see if the town will vote to extend time for another year to committee of three elected last year and to serve with Electric Light Commission in regard to Article 20 of last town meeting regarding the advisability to erect a municipally owned electric light plant, and to instruct said committee to look into the advisability of purchasing power from other sources than through the Greenville Electric Light Company, the expenses incurred with above article not to exceed \$300.00 and to be borne by Electric Light Department of the Town of New Ipswich, or take any action thereon.

29. To see if the town will vote to raise and appropriate the sum of \$1000.00 to repair the road to Matti Maki's residence, put up railings and gravel road starting from Matti Maki's residence, or take any action thereon.

Given under our hands and seal, this 25th day of February, in the year of our Lord nineteen hundred and forty-seven.

WALTER S. THAYER,
MATTI P. AHO,
DAVID ROGER,
Selectmen of New Ipswich.

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the town of New Ipswich, N. H., qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the eleventh day of March, 1947, at nine o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see if the district will vote to raise and appropriate \$300 to be used as a revolving fund for the school lunch.
10. To see if the district will vote to authorize the School Board to enter into a new contract with the trus-

tees of Appleton Academy for the tuition of New Ipswich pupils for the sum of \$6500 annually.

-11. To see if the district will vote to raise and appropriate the sum of \$1260, the same to be made immediately available, for the purpose of paying a bonus of \$300 to each full-time teacher and a proportionate amount to the part-time teacher, in addition to the contract salary for the current year.

Given under our hands at said New Ipswich this 16th day of January, 1947.

REPORT OF SCHOOL SUPERINTENDENT

To the School Board and Citizens of New Ipswich:

I respectfully submit my twenty-fourth annual report as your Superintendent of Schools.

Outlook for Education

The State Board of Education with the leadership of the new Commissioner of Education has carefully drawn up a new plan for state aid, and suggested a largely increased legislative appropriation to make it effective. The Interim Commission authorized by the 1945 Legislature has made an exhaustive study of public education in New Hampshire and their report further emphasizes the need of largely increased state aid to the local school districts.

The state aid plan in use since 1919, providing for elementary schools only, was based on a very complicated formula which was difficult to apply and unsatisfactory in its administration. Furthermore the legislative appropriation was seldom sufficient to cover the requirements of the law.

The proposed plan, which would give state aid for support of high school as well as elementary is embodied in a bill now under consideration in the Legislature. It sets up a simple formula allowing a fixed sum of money for each pupil attending school in any given school district. Two kinds of state aid are proposed; first, an **Equalization Fund** to supply any district with the money it needs for support of high and elementary schools beyond the amount of a local tax of \$6.00 on each \$1000 of equalized valuation; second, a **General Fund** to supply to every school district in the state a certain sum of money for each child attending school.

These funds must be provided by legislative appropriations; in case such appropriation is not sufficient, provision is made to supply the **Equalization aid**

first and to distribute the remainder as **General aid** proportionally.

The reasons for the proposed new plan and its justification are to be found in a comparison of New Hampshire with the other states of the Union. New Hampshire is the fourth lowest state in the percentage of state aid furnished the local school units, providing only 7% of the local costs of elementary schools as compared with a national average of 35%. New Hampshire is the only state not now providing state aid for high school costs.

Education is universally recognized as a responsibility which the state cannot escape by throwing the entire burden of costs upon local real estate taxation—a burden so unequal that it amounted to a tax ranging all the way from \$3.73 per \$1000 in one town to \$32.41 in another town in the school year 1944-45.

A citizenry made up of people enlightened through universal education is the only sure guarantee for the protection of the American democratic principle of the dignity and worth of the individual, and is as necessary as adequate military defense. The Nation's economic security depends more upon acquired knowledge and skill than upon natural resources. Democracy is constantly threatened by hostile alien political, economic and social theories that can be defeated only by vigilant, constant efforts comparable to those that won the war, in which every individual has a responsibility and a contribution to make.

In such a citizenry no less than a complete high school education for every mentally competent child is sufficient. No less than the very best teaching will assure such a degree of intelligence. The most competent persons must be secured and adequately trained for the teaching profession—persons who have the understanding and skill to discover and intelligently stimulate and develop the talents of children. The practitioner of no other profession needs more highly

specialized knowledge, more technical precision and artistic skill, than the teacher.

Against this conception of the ideal as a background, let us look at the present condition: more than a third of the nation's 900,000 teachers have quit teaching entirely since 1939; 60,000 vacancies have not been filled at all and 109,000 persons lacking the full qualifications for teaching certificates have been employed on emergency permits. Nearly 500 such persons are now teaching in New Hampshire.

The end of the war brought no relief, and there will be no relief until persons of high native ability can be attracted to the teacher training institutions in much greater numbers, and there receive a full four year training. Such persons will not be keen to invest four years in this training unless they can expect rewards, in terms of money and satisfactions, that are comparable to those in other occupations requiring a like amount of training.

Salaries

Last year I reported that a survey of current salaries of elementary teachers in New Hampshire showed that in towns with less than 600 population, sixteen were paying less than \$1200 and eleven were paying from \$1400 to \$1500. A like survey this year shows only four towns paying less than \$1200. \$1400 to \$1500 is the minimum salary in twenty-seven towns, and the maximum salary in thirty-two towns. Nine towns are paying \$1600 to \$1800. The five towns in this group in our Union are paying from \$1200 to \$1650.

Towns whose population ranges from 600 to 1000 are paying elementary teachers from \$1200 to \$2100, except that six pay less than \$1200.

Towns whose population ranges from 1000 to 1500 pay from \$1200 to \$2000 with none less than \$1200.

Towns whose population ranges from 1500 to 2500

are paying from \$1350 to \$2340 with none less than \$1300.

The survey shows that there was a definite upward trend of salaries from last year to this, and at this moment many New Hampshire towns are granting further increases for the current year ranging from \$200 to \$400.

Budget

The amount in the budget for teachers' salaries last year was not enough by \$225. Further increases must be anticipated for next year and we believe \$7500 must be made available. The estimated cost of textbooks is \$25 more than last year due to increasing cost and the cost of scholars' supplies has increased some 35% and will require \$400 next year. The cost of fuel is estimated at \$725 due to the higher price of fuel oil. Elementary school tuition will require \$216 for six pupils attending Greenville. To transport them to New Ipswich would cost as much and probably more than the tuition. Fixed charges includes rent paid to the Academy and the teacher retirement assessment now required by law. High school tuition is not included in the budget for reasons explained below.

The income of the district, including \$1000 state aid, will reduce the assessment required to meet the budget to \$14,310.75. The \$18,000.00 assessment last year included high school tuition.

Special Articles

There is a special article calling for the authorization of the School Board to make a new tuition contract with Appleton Academy in the total sum of \$6500 to help meet the cost of operating the academy which this year is operating at a loss of \$1900.

Another special article calls for the appropriation of \$300 to be used by the school lunch as a revolving fund to enable them to buy supplies in larger quanti-

ties at reduced prices. This fund is to be turned back into the school treasury at the end of the school year and used again each succeeding year in the same manner.

Medical Inspection

Physical examinations were conducted by Dr. Cayward and Mrs. Gilbert in September and they report as follows:

Number of pupils examined	108
Defects found:	
Teeth	25
Tonsils	12
Excessive wax in ears	4
Glands	2

There have been three tonsilectomies since previous report.

Vision and hearing tests were conducted last May showing five vision defects and two hearing defects. Seven children have had vision corrections since previous report.

Toxoid booster shots for diphtheria prevention were given to sixty pupils.

Respectfully submitted,

VERNON S. AMES,
Superintendent of Schools.

HELP YOUR FOREST FIRE WARDEN PREVENT FIRES — IT PAYS !

Prevention is one of the most important phases of all fire effort. This is particularly true of forest fire control work. Preventing forest fires preserves valuable forest growth and other property, conserves manpower and permits their use in productive channels, saves taxpayers' money and conserves fire fighting equipment.

1. Use ordinary common sense with fire in and near woodland.
2. Comply with requirements on the use of fire in and near woodland and when the ground is not covered with snow, secure written permission to burn from the forest fire warden.
3. Be careful when smoking in or near woodlands. Don't throw lighted material from moving vehicles.
4. Cooperate with and assist the warden and urge others to do so.
5. **HELP YOUR FOREST FIRE WARDEN PREVENT FIRES**—his efforts are only as effective as is the cooperation you give him!
